Western Kentucky University

Red Towel Territory ... Home of the Hilltoppers ... Western Kentucky University.

Located on rolling terrain in picturesque Bowling Green, Ky., Western Kentucky University boasts one of the most beautiful campuses in the nation, with 200 acres of the main campus sprawling over Southcentral Kentucky.

It's called the "Western Spirit," and it's a spirit well known to Hilltopper fans. Defined as a special feeling of belonging, more than 62,000 alumni and more than 14,000 WKU students share that "Western Spirit."

Probably more than anyone else, late Hilltopper Basketball Coach E.A. Diddle emanated that "spirit" by making famous Western's rich Red Towel Tradition. Today, whether it's an athletic event, the annual Fish Fry for Kentucky's school leaders or one of the many professional meetings on campus, one is likely to see red towels waving when on the Western campus.

For more than 80 years, Western has provided a high quality of instruction with a personal touch, encouraged scholarly research and creative activity by its faculty and students, and served as a public resource center for the entire region.

Among students in Kentucky, Western graduates have carved a niche of their own. Western students annually have one of the highest rates of success in gaining admission to medical, dental, veterinary and pharmacy schools because of the university's strong academic structure.

Western's College of Education and Behavioral Sciences is ranked 16th nationally in a major report rating all colleges of education in the United States based on their teacher education programs. The college is also the largest college of education in Kentucky and leads the state in the numbers of teachers and school administrators who operate Kentucky's public schools.

For the fourth consecutive year, WKU faculty established a new record of achievement in 1988 for obtaining external funding for numerous academic, research and public service projects. Grants for more than \$3.8 million were awarded to Western for research, public service and other special projects.

Western students also play an important role in obtaining external funding for the university. The 1988 Phonothon set a record as the most successful ever, totaling nearly \$100,000 in pledges.

And, Hilltopper students have helped Western's enrollment reach an all-time high (14,116 for fall, 1988) through their work in the Student Recruitment Phonothon. The Western students help potential college students with some answers to their questions about life at the university.

Last summer Western hosted 140 bright young scholars as part of the Summer Camp for Academically Talented Junior High Students.

The university also annually hosts junior high students as part of its program for verbally and mathematically precocious youth.

The agriculture department at Western is nationally recognized in some of its programs. The agricultural mechanics program was ranked second in the nation in 1988 competition conducted by the National State Departments of Agriculture Association. Western student Greg Blaydes (Greensburg, Ky.) was selected as the top college junior in animal science in the nation in 1988 and was also among the top three in that area his senior year.

And, the university's L.D. Brown Agricultural Exposition Center serves many area agricultural and public service needs. It also provides students with excellent hands-on experience at the WKU farm.

Western faculty have distinguished themselves among leaders in their fields. The nation's best-selling high school speech textbook is authored by a Western professor and is currently in its third edition.

A Western nursing faculty member was named "Nurse Educator of the Year" last year by the Kentucky League of Nursing.

A pair of Western faculty members in the psychology department were recently awarded

the Hollingworth Award for research in Psychology and Education of Intellectually Gifted Youth. The award is based on extensive international competition.

And, the Kentucky Library and Museum on the Western campus remain as monuments to the state's history, reflecting again the university's commitment to excellence in the Commonwealth.

President Thomas C. Meredith

Dr. Thomas C. Meredith was named the eighth President of Western Kentucky University, August 5, 1988, after spending a year as Vice Chancellor at the University of Mississippi.

At Ole Miss he coordinated the daily activities of the campus in the absence of the chancellor and served as the University's liaison with the University of Mississippi Medical Center in Jackson.

Prior to that assignment, he spent three years as Executive Assistant to the Chancellor and Adjunct Professor of Higher Education at Ole Miss.

The 47-year-old native of Owensboro, Ky., earned a bachelor of arts in social studies with an emphasis in history at Kentucky Wesleyan College in 1963 and added a master of arts in education administration and supervision at Western Kentucky in 1966. He earned a doctorate in education with a major in administration and supervision with an emphasis in secondary and higher education at Mississippi in 1971. He has also studied at the Institute for Educational Management at Harvard University (1987).

Dr. Meredith spent 10 years with the Board of Trustees of State Institutions of Higher Learning in Jackson, Miss., the first seven (1974-81) as Academic Programs Officer and the last three (1981-84) as Associate Director for Programs and Planning.

Following his graduation from Kentucky Wesleyan, he spent six years teaching political science and coaching at his prep alma mater, Owensboro Senior High School. Then, after spending a year at Mississippi as a graduate assistant in the School of Education, he put in a year as an institutional research analyst for the Bureau of Institutional Research at Ole Miss. He then spent two years as principal of LaHarpe (Ill.) High School before taking over as director of pupil personnel services at Jeffersonville (Ind.) High School in 1973-74.

He has since served as an adjunct professor teaching graduate courses in areas such as administration, curriculum development and public relations at Indiana University Southeast, Jackson State University, Mississippi State University and Ole Miss.

Active in civic, church and professional organizations, he has authored a number of books, manuals and journal articles.

The 6-5 Meredith played both basketball and baseball at Kentucky Wesleyan. The basketball teams he lettered on there (1961, '62 and '63) won 45 games while losing only 23, including a sparkling 21-4 mark his junior season (1961-62). The Panthers were runners-up in the NCAA South Region his sophomore year.

Dr. Meredith is married to the former Susan Steen of Booneville, Miss., and they have two sons, Mark (14) and Matt (11).

Academic-Athletic Building No. 2 and L.T. Smith Stadium

The 1989 season will be Western's 22nd in L.T. Smith Stadium, one of the most beautiful and efficient football facilities to be found on any college campus. The Academic-Athletic Building No. 2 and L.T. Smith Stadium is part of Western Kentucky University's modern athletics complex.

Smith Stadium entered a new era in its storied history on Sept. 19, 1987, when the Hilltoppers hosted Murray State in the first-ever night game in the facility, a 21-17 WKU victory. The new lighting system, costing more than \$100,000, went into use that night after a tremendously successful fund-raising campaign conducted by the Hilltopper Athletic Foundation that summer resulted in the private funding needed to light the stadium.

The stadium and its accompanying facilities sit in the midst of that athletics complex, which also includes the Academic-Athletic Building No. 1 and its 12,370-seat E.A. Diddle Arena; an all-weather track; a lighted field for varsity football

practice, intramurals and physical education activities; lighted tennis courts; and Nick Denes Field, the 850-seat home of the baseball Hilltoppers. All are located in an area of the campus between Russellville Road and University Boulevard.

This gives Western, in a central area, both a coordinated series of athletic facilities and modern, well-equipped teaching areas for the Department of Physical Education and Recreation. It is also home of the University's ever-growing intramural program.

In addition to the 19,250-seat stadium, the Academic-Athletic Building No. 2 contains classrooms, faculty offices and complete lockerroom, weight training and sports medicine facilities for football and other sports.

The stadium is named for the late L.T. Smith, who came to Western in 1920 to establish the Department of Industrial Arts, now designated the Department of Industrial and Engineering Technology. He headed the department until

1957 when he took over as Physical Plant Administrator. In 1963 he was named Coordinator of New Construction, a post he held until he retired in 1965.

In addition to his other duties, Smith coached Western's football team in 1920 and 1921 and it's basketball team in 1921-22. He was instrumental in bringing Coach E.A. Diddle, a member of the Naismith and Helms Foundation Basketball Halls of Fame, to Western to take over the athletic coaching duties in 1922.

Smith, a member of the Ohio Valley Conference Hall of Fame, also made a great contribution to the University's athletic program by serving as chairman of the Athletic Committee almost continuously from the time he helped form it in 1922 until he retired.

Smith Stadium has hosted a variety of activities through the years, including NCAA playoffs, Kentucky high school championship playoffs, state band festivals, concerts and University commencement exercises.

Topper Tidbits: In the past 24 seasons (1965-88), the Hilltoppers have played 219 football games in front of 2,880,291 fans, 1,512,718 of those in 107 games at home. The Toppers have played before crowds of 10,000-or-more fans 131 times in that period, 15,000-or-more 68 times and 20,000-or-more 25 times! A total of 82 of those 107 home games drew crowds of 10,000-or-more, 41 were played in front of 15,000-or-more fans and six home games attracted at least 20,000 spectators! Thus, 82 of the 131 games (62.6 percent) that drew at least 10,000 fans were played on the Hilltoppers' home turf!!!

Smith Stadium's Largest Crowds

The Stadium topped the one million mark in attendance in its 14th year of existence when the 11,500 fans who were on hand to see Tennessee Tech outscore the Hilltoppers 14-3 on Oct. 17, 1981, pushed the facility's all-time attendance to 1,001,375! The 1989 Hilltoppers

Senior Tight End
ROBERT COATES

WKU Athletic Staff

Athletics Director Jimmy Feix

Jimmy Feix is entering his fourth year as Director of Athletics at his alma mater. He succeeded the retiring John Oldham in the summer of 1986 after spending the previous two years (since his retirement from the coaching ranks) as a member of the staff in the University's Office of Alumni Affairs. He served as Director of Alumni Affairs in his last year in that office.

In his initial year at the helm of the Hilltopper athletic program, Feix saw his coaches and athletes lay claim to the University's first Sun Belt Conference Commissioner's Cup, symbolic of overall excellence in the six men's sports in the league, since WKU joined that organization in 1982.

Feix has been a key figure on the athletic scene at Western for most of the past four

decades. He spent 27 years as a member of the athletic coaching staff at Western, the last 16 of those (1968-83) as head football coach.

The winningest grid coach in the school's history, he guided his teams to an impressive 106-56-6 (.649) record. His 14 teams that competed in the Ohio Valley Conference went 67-28-2 (.701) in league play.

But, his association with Western actually began back in 1949 when he came to the Hill as a freshman quarterback from his native Henderson, Ky.

As a senior record-setting signal-caller in 1952, he and his Hilltopper teammates tied for the OVC championship and posted a victory in the school's first-ever bowl appearance (34-19 over Akran-sas State in the Refrigerator Bowl in Evansville, Ind.). That year he became the first Topper footballer ever to earn All-America honors. Later, he coached 16 other Hilltoppers who were similarly honored.

Drafted by the New York Giants of the National Football League, he suffered a pre-season injury that ended his pro career before it really got started and then he went into the Air Force. He returned to Western in 1957, served one year as a graduate assistant coach and then became a full-time aide the following season.

He was named head coach upon the retirement of Nick Denes after the conclusion of the 1967 season and, in those 16 years at the

Topper grid helm, only six times did his teams suffer more than three losses in a single campaign. Only four of his 14 OVC teams finished lower than second place in that league. His Hilltoppers won or shared the OVC championship on six occasions — 1970, '71, '73, '75, '78 and '80.

His 1973 team marched through the regular season undefeated and untied and rolled all the way to the championship game of the first-ever NCAA Division II national championship play-offs, finishing second. Western made the NCAA playoff field again in 1975 and advanced to the title game for the second time in three years, but once again had to settle for runner-up honors.

Feix was named Kodak College Coach-of-the-Year for Division IV in both 1973 and 1975. He also won OVC Coach-of-the-Year honors and was similarly honored by the Louisville *Courier-Journal* and *Inside Kentucky Sports* magazine in 1973. He again won OVC Coach-of-the-Year laurels in 1978 and in 1980.

He and his wife, Frankie, have two sons, Jimmy, a former member of Western's varsity baseball team and now a research chemist at the Wisconsin College of Medicine, and Jeff, a former student manager in the Hilltopper football program and now a doctoral candidate in clinical psychology at the University of Kentucky.

education in 1975 and then spent two years as a graduate assistant trainer while earning a master's degree.

While on the Western training staff, Herriford worked with most WKU sports; however, her prime responsibilities were the women's teams.

Since joining the Athletics Director's staff in 1982, Herriford has taken an active role in the continuing development of women's athletic programs at WKU. And, she has served as event manager for Sun Belt Conference women's basketball and volleyball tournaments, as well as regional play in the NCAA women's basketball championships.

She and her husband, Ron, are the parents of a daughter, Kim (8), and a son, Keith (6).

Assistant Athletics Director Pam Herriford

Pam Herriford was named Assistant Director of Athletics in 1987 after serving as Coordinator of Women's Athletics at Western since 1982. An active professional, she is beginning a term as a member of the NCAA Research Committee.

Prior to going into athletic administration, she was an assistant trainer in the Hilltopper athletic program for three years.

However, her association with WKU athletics goes back to the revival of women's intercollegiate sports on the Hill in 1973. She played on both the tennis and track teams that first year and then became a student trainer in the Topper athletic program.

A native of nearby Franklin, Ky., she completed her bachelor of science degree in physical

Executive Director Hilltopper Athletic Foundation Gary West

Gary West assumed his duties as the first-ever executive director of the Hilltopper Athletic Foundation, Western's official athletic booster organization, in 1981.

As head of operations for the Athletic Foundation, he oversees the normal business of the club as well as directing promotional and fund-raising activities for the Foundation and for Hilltopper athletics.

A native of Indianapolis, he grew up in Elizabethtown, Ky., where he attended Elizabethtown High before enrolling at Western. After two years on the Hill, he transferred to Kentucky to complete his degree in journalism (1966).

He then served stints with the Elizabethtown News (sports editor, 1966-67); the Ft. Bragg (N.C.) Paraglide, at that time the largest military

newspaper in the United States (editor, 1968-70); and State Farm Insurance, Bloomington, Ill. (advertising, 1970-71) before returning to Bowling Green, where he founded the local "Penny Saver" shopper-advertising publication.

Since returning to Bowling Green, West has also done some free-lance sportswriting and, for several months in 1976, he served as interim sports information director at Murray State. In addition, he now provides the color analysis on the broadcast of Topper men's basketball games on the Hilltopper Network.

West is married to the former Jane Hendrick of Bowling Green and he has two children, Mandy (19) and Greg (18), a freshman on the Hilltopper tennis team.

Head Coach Jack Harbaugh

Jack Harbaugh, the assistant head coach at the University of Pittsburgh the past two seasons, was named the 15th head coach of Western Kentucky University's 70-year-old football program February 1, 1989.

The 50-year-old Harbaugh (HAR-baw), a veteran of 27 years in the coaching ranks, 22 of those at the college level, previously spent five seasons as head coach at Western Michigan. And, he has served as an assistant at Michigan, Iowa, Stanford, Bowling Green State and Morehead State.

In his first year at Pitt (1987), he worked primarily with the linebackers and helped guide the Panthers to an 8-4-0 mark and an appearance in the Bluebonnet Bowl. One of his proteges that fall, All-America linebacker Zeke Gadsen, was O finalist for the Butkus Award and was drafted by the Buffalo Bills of the National Football League and later played in the Canadian Football League. Last fall, Harbaugh moved to the offensive side of scrimmage. Pitt was 14-9-0 in his two years there.

Harbaugh was head coach at Western Michigan from 1982 through 1986. His best season with the Broncos was '82 when he guided his charges to a 7-2-2 mark and second place in the

Mid-American Conference. Overall, his five teams there were 25-27-3. One of his standouts at WMU, linebacker John Offerdahl, is a three-time All-Pro with the Miami Dolphins.

Prior to that stint at Western Michigan, he put in two seasons as defensive coordinator at Stanford. Those Cardinal teams were quarterbacked by John Elway.

Harbaugh served as defensive backfield coach for Bo Schembechler at Michigan for seven years (1973-79) and was a part of Wolverine teams that won five Big Ten championships (1973, 1976, 1977, 1978 and 1979). Those teams played in the 1976 Orange Bowl and made three trips to the Rose Bowl ('77, '78 and '79). The seven Michigan teams he worked with posted an overall record of 66-13-3 (.823).

A number of his defensive backs at Michigan went on to enjoy successful careers in professional football. Among those are: David Brown, an All-America free safety who was still a starter for Green Bay; Michael Hardin, another free safety who has been starting for Denver; Dwight Hicks, also a free safety, who played for San Francisco and was in the 1982 Super Bowl with the 49'ers; and Keith Bostic, a strong safety who is with the Houston Oilers and was in the Pro Bowl last season.

Harbaugh coached the defensive backs at Iowa in 1971 and 1972 and among his proteges there was strong safety Craig Clemmons, a first round draft choice of the Chicago Bears in 1972.

Coach Harbaugh put in four seasons (1968-71) as an aide in the defensive backfield on Coach Don Nehlen's staff at his alma mater, Bowling Green State. Nehlen, now at West Virginia, was the American Football Coaches Association's 1988 College Coach-of-the-Year after guiding the Mountaineers to an 11-1-0 mark.

His first assignment in the college ranks was at Morehead State, where he spent one season (1967). He made his first visit to the WKU campus that fall when the Eagles were the guests for the Hilltoppers' Homecoming game — a 30-19 Western victory.

Prior to getting into the college game, Harbaugh spent a year (1966) as head coach at Xenia (Ohio) High School where his team won eight of nine games and took championship honors in the Western Ohio League. For his efforts, he was named conference Coach-of-the-Year.

Coach Harbaugh and his wife, Jackie, greet Hilltopper fans in Diddle Arena in February.

He was also head coach at Eaton (Ohio) High (1964-65) and he was an assistant at Perryburg (Ohio) High for two years (1962-63). He began his coaching career as basketball and track coach at Canton (Ohio) Elementary in 1961.

A native of Crestline, Ohio, he is a graduate of Crestline High (1957) where he was a four-year letterman and an All-State quarterback as a senior. CHS won conference championships in both his junior and senior seasons. And, he also lettered twice in basketball and four times in baseball, where he was an All-State shortstop.

Harbaugh played his college football at Bowling Green State, lettering three times as a defensive back and quarterback. The Falcons went 24-3-2 in his three varsity seasons and were small college national champions (9-0-0) his junior year. He was an All-Mid-America Conference selection at free safety as a senior. He also found time to letter twice in baseball at Bowling Green.

In 1961, he was drafted by the Buffalo Bills of the American Football League.

Harbaugh holds a Bachelor of Science degree (1961) in physical education and a Master of Education in Health and Physical Education (1964) from Bowling Green State.

He and his wife, Jackie, also a Bowling Green alumnus, have three children, John, an assistant football coach at the University of Cincinnati; Jim, a quarterback with the Chicago Bears of the NFL; and Joani, a senior at the University of Pittsburgh.

The Assistant Coaches

Mike Dawson Defensive Line

Mike Dawson came to the Hill last spring after spending two seasons as a graduate assistant coach on the staff at West Virginia.

He helped the Mountaineers to two successful seasons — a 6-6 record including a Sun Bowl victory in 1987 and a sparkling 11-1 mark and a berth in the Fiesta Bowl last fall.

A native of Parkersburg, W. Va., Dawson graduated from Magnolia High School in New Martinsville, W. Va., in 1978. He earned a bachelor's degree in physical education from West Virginia in 1983.

His first coaching experience came as an assistant at his high school alma mater. That season (1983) Magnolia High was 10-2 and went to the state championship playoffs.

In 1984, Dawson took the head coaching job at Hundred (W. Va.) High School and brought that program back to respectability after it had re-

corded just 18 victories in the previous nine seasons. From 1984 to 1986, he led Hundred High a 15-15 record before returning to West Virginia as a graduate assistant coach.

As an athlete, he lettered in four sports in high school — football, baseball, basketball and track — and was selected for All-State honors twice as a linebacker and quarterback. He captained his prep team as a senior. He was also an All-State catcher on the diamond. And, he was the state champion in the long jump (22-6) as a prep senior.

At West Virginia University, he earned two letters (1979-80) as an inside linebacker.

His father, Ronald, was a prep All-Stater in both football and baseball in West Virginia and later played two seasons in the New York Giants (baseball) farm system.

Rick Denstorff Offensive Line

Rick Denstorff returned to his alma mater last spring to join Jack Harbaugh's new staff at Western Kentucky. He came back to the Hill from Indiana (Pa.) University, where he helped lead the Indians to an 8-3-0 record and a berth in the Division III national championship playoffs. He worked with the defensive line there and that unit ranked second in the nation against the rush and third in the country in overall defense.

Prior to going to IUP, he spent two seasons (1986-87) as a graduate assistant coach at Pittsburgh, where he worked with Coach Harbaugh during the '87 campaign. His assignment at Pitt was the offensive line. The 1987 Panther eleven played in the last Bluebonnet Bowl.

A three-year starter (1983-85) with the Hilltoppers (at both offensive guard and center), he captained the '85 Toppers and was the recipient of WKU's coveted Al Almond Memorial Award as a senior. He earned four letters on the gridiron.

Denstorff has been associated with the last three Hilltopper head coaches. He signed with

Western in 1982 and played his first two seasons for current WKU Athletics Director Jimmy Feix. Then, after Feix' retirement from the coaching ranks in 1983, Denstorff toiled in the offensive line for Head Coach Dave Roberts. Now, he'll be on the sidelines as an assistant for Jack Harbaugh.

He was a three-sport letterman at South Spencer High School in Rockport, Ind., earning All-State honors twice ('80-81) in football as a linebacker-offensive lineman and once ('81) as a catcher in baseball. He also earned two letters in basketball.

A 1982 South Spencer graduate, he played his prep football for his father, Jerry, one of Indiana's most respected high school grid coaches and the 1988 Southern Indiana Coach-of-the-Year.

Denstorff holds a bachelor's degree in physical education from Western (1986) and is a candidate for a master's in administration and policy studies at Pittsburgh.

Darryl Drake Receivers

After spending two seasons as a graduate aide with the Hilltoppers, Darryl Drake joined the WKU staff on a full-time basis in the spring of 1985. He has been working with the Topper receiving corps the past four years, coaching a number of the most prolific pass catchers in the school's history, including Keith Paskett, who is currently with the Green Bay Packers of the National Football League. Another of his proteges, Cedric Jones, was an Associated Press honorable mention All-America pick as a senior last fall.

Drake first came to the Hill from Louisville's Flaget High School as a rookie receiver in 1974. While at Flaget, he was an honorable mention All-Stater on the gridiron and was also an All-State pick in basketball. In addition, he was the Kentucky prep champion in both the 100 and 200 on the track, earning All-America status along the way.

As a senior Hilltopper in 1978, he accounted for 31 catches, 380 yards and four touchdowns, helping the Toppers to an 8-2-0 mark and the

championship of the Ohio Valley Conference. For his efforts, he was named second-team All-OVC.

After completing his career on the Hill, he reached the final cut with the Washington Redskins of the National Football League in 1979, then came back to Western where he served as a student assistant coach while completing work on his degree.

He then put in a year and a half as a receiver with the Ottawa Rough Riders in the Canadian Football League. He again reached the final cut, this time with Cincinnati of the NFL, in 1983, and then gave up pro football to return once again to WKU, where he served as a graduate assistant in 1983 while completing his master's degree. He stayed on in 1984 to earn an education specialist degree in student personnel services.

Drake is a cousin of former Hilltopper grid star Carl Brazley (1976-79), who earned All-Pro honors in the CFL and former pro basketball great Wes Unseld.

Bruce Hoffman Defensive Coordinator

Veteran coach Bruce Hoffman joined the Hilltopper staff last spring after spending five seasons as head coach at Elmhurst (Ill.) College. He will serve as the WKU defensive coordinator and will direct the efforts of the defensive backfield.

His best team at Elmhurst (1985) posted a sparkling 7-2-0 record and twice his Bluejays took second place honors in the rugged Collegiate Conference of Illinois and Wisconsin (CCIW), considered by many as the top Division III football league in the nation.

Prior to going to Elmhurst, Hoffman served stints in the assistant coaching ranks at Southeast Missouri (assistant head coach and defensive coordinator, 1981-83), Northwestern (assistant head coach and defensive coordinator,

From there, he went on to Southeast Missouri, where he lettered four years as a running back, earning team and conference (Missouri Intercollegiate Athletic Association) Most Valuable Player Awards in 1969.

Big Red

"Big Red," Western's athletic mascot, was born in the fall of 1979 and will be celebrating its 10th birthday in December.

The huge, furry, lovable creature was originally designed and built by WKU student Ralph Carey ('80) of Cincinnati, and made his debut during the Hilltoppers' 1979-80 basketball season. "Big Red" has since become a big hit with fans of all ages throughout the state and the nation.

The ultimate fan and supporter of all of WKU's intercollegiate sports, "Big Red" won the "Key to Spirit" award — the highest honor presented to team mascots — at the Universal Cheerleading Association competition in 1980, 1981 and again in 1983.

Playing the "Big Red" role this year are Susan Flowers, a sophomore elementary education major from Hendersonville, Tenn., and Brian Thorpe, a sophomore public relations major from Bowling Green.

HILLTOPPER ATHLETIC FOUNDATION

The Hilltopper Athletic Foundation (formerly the Hilltopper Hundred Club) is the official athletic booster association of Western Kentucky University.

A group of more than 1,000 individuals and businesses, the Foundation traces its roots to 1965 when former Athletic Director Ted Hornback started the Hilltopper Hundred Club in an effort to organize the outstanding community, campus and alumni support that the University's athletic programs have enjoyed through the years.

The membership of the organization is committed to furthering the tradition of excellence that Western followers have come to expect from its athletes and athletic teams.

The Foundation provides an opportunity for alumni and friends of the University to financially contribute to Hilltopper athletics and thus participate in the growth and continued success of intercollegiate sports at Western.

A new era dawned in the history of the Hilltopper Athletic Foundation in 1981 when Gary West was selected as the organization's first full-time executive director. Under his guidance the Foundation's budget has increased more than five-fold. Although that is quite an impressive record, the Foundation is continually developing new and innovative programs designed to increase the group's membership and revenues so that Western's athletic programs can experi-

ence the growth necessary to compete in today's college sports world. One step the organization has made that further illustrates its growth was the addition of DeLane Simpson to its staff as assistant director in 1987.

One of the most ambitious undertakings of the Foundation has been the initiation of a program to endow athletic scholarships to guarantee support for deserving young athletes for years to come. In less than eight years, the program has attracted 21 endowed scholarships.

The Hilltopper Athletic Foundation operates under the direction of an elected Board of Directors who set policy for the organization. The current members of the Board are:

Jerry Blacketer, Louisville
Eddie Diddle, Jr., Nashville
Jimmy Feix, Bowling Green
Wilburn Harrison, Glasgow
Pam Herriford, Bowling Green

The Red Belt

Trainer Bill Edwards (center) and Associate Trainer Randy Deere with The Red Belt.

In the spirit of some of college football's greatest rivalries, Western Kentucky and Murray State have a traditional gridiron trophy exchange of their own.

The "Red Belt" originated in 1978 when Hilltopper trainer Bill Edwards attended a district trainers' meeting with Murray State trainer Tom Simmons. As Edwards tells the story, Simmons forgot to bring a belt along and borrowed a red one belonging to Edwards. After the meeting, when Edwards asked about his belt, Simmons responded that Western would have to beat Murray State in football to get the belt back.

Simmons had the belt mounted on a large plaque, complete with brass plates to keep Western-Murray scores etched in history for years to come.

When the '78 football season rolled around that fall, Western went into Racer territory and came away with a 14-6 victory and the "Red Belt." MSU reclaimed it in 1979 and it has bounced back and forth since. The trophy now hangs in the Hilltopper training room after WKU's 27-25 upset victory over the fifth ranked Racers in 1985, a 10-10 tie at Murray in 1986 and last fall's 21-17 Topper triumph in Smith Stadium.

Due to scheduling difficulties, Western and Murray State will not meet in the gridiron this season (for the first time since World War II interrupted the rivalry, 1943-45). However, the two in-state foes will be back battling for the Red Belt in 1989.

Here's a rundown of the results of the Western-Murray series since the "Red Belt" came on the scene in 1978:

1978 — Western 14, Murray St. 6
1979 — Murray St. 30, Western 20*
1980 — Murray St. 49, Western 0
1981 — Murray St. 38, Western 6*
1982 — Western 27, Murray St. 20
1983 — Murray St. 7, Western 3*
1984 — Murray St. 17, Western 16
1985 — Western 27, Murray St. 25*
1986 — Western 10, Murray St. 10
1987 — Western 21, Murray St. 17*

Western's Red Towel

Coach E.A. Diddle

Western's unique "Red Towel" originated with the late E.A. Diddle, one of the most successful coaches in history and a member of the Naismith and Helms Athletic Foundation Halls of Fame.

Through 1,062 Hilltopper basketball games — 759 of them wins, the fourth highest total ever — Diddle clutched a red towel. He chewed on it, threw it, cried on it, waved it at fans and used it to signal his players.

Though Mr. Diddle has been identified primarily with Topper basketball, he won his first game at Western on the gridiron — 6-0 over Louisville on Sept. 30, 1922. He coached football from 1922 through 1928, winning at a 61 percent rate (38-24-2) and running up a victory total that was unsurpassed by his successors on the gridiron until 1954. His 1928 squad, one of the finest in Western annals, marched to the state championship with an 8-1-0 record, outscoring the opposition 171-7.

The Red Towel became synonymous with Ed Diddle and he became synonymous with Western's outstanding athletic heritage. And, now fans at Hilltopper sporting events wave red towels as they cheer for the "Big Red."

Hilltopper Nickname

The evolution of the nickname "Hilltoppers" is obvious to those who have seen the Western Kentucky University campus. The operations of Western Kentucky State Normal School were moved from the site of its forerunner, Southern Normal School, to a commanding hill in the southwestern portion of Bowling Green on February 4, 1911. The move was completed as the entire student body marched to the new site, carrying various articles of school equipment.

Since the summit of "the Hill" rises 232 feet above nearby Barren River and the comparatively level plain that surrounds it, it was only natural that the young athletes who represented the institution centered on the crest should come to be known as "Hilltoppers."

Still, the name did not come into use until the 1925-26 school year. Prior to that, Western's athletic teams were commonly referred to as "Pedagogues" or "Teachers."

Western in the Polls

Nine times in the past 21 years, the Hilltoppers have earned a berth among the nation's elite football squads in the polls. The highest the Toppers have ever finished in the polls was at the close of the 1973 and 1975 seasons when they claimed the number three slot in the Associated Press Division II poll. Here's a rundown of the Hilltoppers' final ranking in each of those nine seasons:

Year	Poll	Rank	Year	Poll	Rank
1968	AP	19th	1978	NCAA	4th
1970	UPI	9th	1980	NCAA	5th
	AP	12th	1987	NCAA	11th
1971	AP	6th		Sports Network	14th
1973	AP	3rd	1988	NCAA	12th
1975	AP	3rd		Sports Network	13th

Former Hilltopper stars Jeff Cesarone (8), Paul Gray (51) and Joe Arnold (33).

Feast and Famine

Through 70 seasons, Hilltopper gridders have fashioned an enviable record, posting a winning won-lost mark on 45 occasions, while winding up on the losing side of the ledger only 21 times. Four times, Western footballers broke even at .500.

At one point, the Toppers waltzed through 14 straight winning campaigns (1927-40). Under the guidance of six different coaches, those 14 Western teams racked up 96 victories against only 29 defeats and five ties — a .758 winning percentage.

The longest that Western suffered without a winning season was five years (1982-86). During those 70 campaigns, the Hilltopper defense held the opposition scoreless an amazing 149 times — an average of 2.1 shutouts per season. However, seven of those goose-egg games were scoreless ties. And, looking on the negative side, the WKU offense has fallen short of the goalline on 67 occasions.

Below is an outline look at the 10 best and 10 worst seasons, based on winning percentage, in Hilltopper grid history.

The Alma Mater

Western's alma mater, "College Heights," was originally written by sixteen-year-old schoolgirl Mary Francis Bradley as a poem to be entered in a contest on the campus in 1924.

"College Heights" then became a song when Miss Bradley combined her poignant words with a beautiful melody composed by her father, Ben J. Bradley, an accomplished songwriter and musician from nearby Franklin, Ky.

On March 12, 1925, "College Heights" was first performed at chapel assembly in Van Meter Auditorium by Miss Bradley and, thus, an alma mater was born. The music was subsequently published and then copyrighted by Western in 1930. On the music is the notation that the song is dedicated to Western's first president, Dr. Henry Hardin Cherry.

All-OVC Selections

During Western's 34-year association with the Ohio Valley Conference (from its founding in 1948 through May, 1982), Hilltopper athletes virtually dominated the OVC's first-team all-star unit with a total of 117 picks. Over that period of time only one other league school (Eastern Kentucky) could boast of more than 100 first-team selections (111). Murray State had 85 such honorees, Tennessee Tech 84, Middle Tennessee 79,

Morehead State 58, Austin Peay 43, East Tennessee 37, Evansville five, Louisville 3, Marshall two, Akron two and Youngstown State two. The most first-team picks by any school in single season was nine. Tennessee Tech was the first to put that number on the team in 1972. The Hilltoppers followed immediately with nine in 1973 and again tied that record in 1980. A complete list of Western's first-team All-OVC selections follows.

The Hilltopper Radio Network

The Hilltopper Radio Network was awarded the exclusive radio rights to Western Kentucky University football and men's basketball broadcasts in 1982. That contract, the first of its kind in the history of WKU athletics, went into effect at the beginning of the 1982-83 basketball season and continued through the 1984-85 school year. Then, the contract was renewed for a three-year period (through 1987-88) and also included rights to women's basketball and selected baseball games. The Network is now beginning its third exclusive rights contract with the University.

A partnership of area businessmen Hank Brosche and Wes Strader, the Hilltopper Net-

work will originate over radio stations WBLG-FM and WKCT-AM in Bowling Green.

At press time, the Network for the 1988 football season was expected to include the following cities and affiliates:

Franklin — WFKN-AM
Glasgow — tba
Morgantown — WLBQ-AM
Munfordsville — WLOC-AM/FM
Henderson — WSON-AM in Henderson

Strader, a veteran of 25 years of play-by-play experience at Hilltopper athletic events, will continue to call the action, assisted by former Topper assistant coach Lee Murray and Bob White.
